SkillsUSA Week Member Spotlight Chapter Participation Guide

SkillsUSA Week Member Spotlight

Member spotlight is a program designed to recognize students who exemplify an Essential Element of the SkillsUSA Framework. This process of recognition builds value into the exceptional work that students do every day and encourages all members to exemplify the personal, workplace and technical skills grounded in academics needed to be career ready. Honoring hard work in your chapter creates a sense of community and reminds members that their dedication to their training program and SkillsUSA does not go unnoticed. The Member Spotlight recognition program will reignite student engagement with the opportunity to be recognized for a commitment to career readiness.

Chapter Nomination and Selection Process

Any chapter member, advisor, or school administrator can nominate someone for the Membership Spotlight. The nominating person will submit an online nomination form for review. All nominations are due by Thursday February 1st. In the form, you will indicate which Essential Element the nominee exemplifies and the specific Essential Element behaviors the nominee demonstrates. You are asked to provide examples that show how the nominee has used his or her skills to impact the chapter, school, or community.

Submit forms to: https://www.cognitoforms.com/SkillsUSAND/SkillsUSAMemberSpotlight

Refer to the SkillsUSA Essential Element Guide (found in this document). Members who exhibit these behaviors are career ready and are considered highly qualified candidates for the SkillsUSA Week Member Spotlight.

Nominations per chapter are limited to three per Framework Component (you can nominate up to 3 members in Personal Skills, 3 members in Workplace Skills and 3 members in Technical Skills).

Announcement

The Member Spotlight winners will be announced during SkillsUSA Week (February 5-9, 2024) though daily Social Media posts and a certificate will be mailed to the spotlight members.
