State Director Message

Dear Advisors,

Congratulations! Your students have worked hard this year and will attend the 2024 SkillsUSA National Leadership & Skills Conference (NLSC) in Atlanta. On behalf of our state association and board of directors, thank you for your dedication as an advisor to help fulfill the SkillsUSA mission of empowering members to become skilled professionals, career-ready leaders and responsible community members.

On June 24-28, 2024 we will enjoy an incredible national conference week in Atlanta. I know you and your students will make us proud. The NLSC offers an opportunity for every student and teacher. Competitors in the SkillsUSA Championships will represent our state as the best in their skill areas. Our State Delegates will conduct the business of the organization and make decisions for the future of SkillsUSA as they grow their skills as outlined within the SkillsUSA Framework. Our advisors will grow their classroom toolboxes by observing the national competitions, networking with industry partners and attending professional development sessions. All attendees can interact with our industry supporters through the competitions, the TECHSPO trade show and through other events. Total attendance is expected to exceed 16,000 students, teachers and partners.

This NLSC guide outlines the 2024 SkillsUSA conference in great detail. It is essential that you take the time to effectively prepare both yourself and your students by reviewing this NLSC information. Students will succeed best when they are informed and feel well-prepared for this incredible opportunity.

Please review this document and reach out with any questions to me or to SkillsUSA Customer Care at 844-875-4557. We look forward to being with you in Atlanta for the 2024 NLSC!

On Friday, June 28 at the National Leadership & Skills Conference, SkillsUSA students will apply their skills and provide service to the Atlanta community by participating in the SkillsUSA “Build Skills – Do Good – Complete the Cycle” community service project. The student participants will assemble bikes to be presented to local children.

The day of service will begin with a kickoff rally for attendees and business partners at 9 a.m. in the Georgia World Congress Center. From 9:30 a.m. to 12 p.m., students will work in teams to apply their skills and carefully construct two children’s bicycles. This will be a fantastic ending to conference week as 400 students, advisors and partners work to give back to the Atlanta community.

Students and advisors who want to register for the Community Service Project will do so in SkillsUSA Register. Under “Add-On Events,” users will click the “Yes” button next to the question “Participate in Community Service Project on Friday?”

Advisor Best Practices

Conference week will really fly by but try to take in as much as possible. This conference provides something for everyone. Best practices: Meet as many people as you can. Get contact information or connect on social media. You will meet fellow advisors who have great ideas; you will meet industry personnel who can advise you. You will meet national staff who are prepared to help you become the best SkillsUSA advisor you can be. And it all starts with a simple hello!

Set yourself and your students up for success by following these best practices:

- **NLSC Pre-Conference Virtual Meeting:** Attend NLSC Pre-Conference meeting with your state office staff (or set up a meeting yourself). This will be an opportunity to discuss NLSC as a State group, as questions and make sure that you and your students have what you need to prepare for a successful event!
- **Discuss NLSC with your school administrator or CTE Director:** Seeking support for you and your students to attend NLSC is a critical step. Schedule a meeting to discuss budget and travel policies. Create a planned budget of expenses to share during the meeting. Include the cost of registration, travel, meals, shipping (if applicable), and try to plan for some fun extras if possible. (Your school may not provide all these items, but there may be organizations in the community willing to help offset those costs.) We encourage you to consider bringing along future chapter leaders and another advisor for professional development.
Tip: Begin the requisition process as soon as possible (some advisors even do this before state championships, as there is sometimes a quick turnaround for travel agents, registration, etc.).
- **Connect with Student Families:** Meet with your student(s) and their families. This step is crucial! Don't assume that your student is communicating needed information to parents/guardians. This meeting should be done after you meet with your administrator so that finances can be discussed. Make sure that your students' family understands that even though NLSC is in June, it is a school event and all policies and procedures will still be followed. (This is true even if the student has graduated from high school prior to attending NLSC.) Review the travel itinerary and hotel arrangements with the family. Be candid about costs. If your student is expected to pay for food, baggage fees, mementos and clothing, give them a reasonable amount of money to plan for.
- **Preparing a Competitor for NLSC:** First and foremost, review the SkillsUSA Championships Technical Standards competition guidelines, which is located in Absorb in the Professional Membership Benefits section. We encourage you to set up regular contest practice sessions with your competitor. It is vital that your competitor studies the SkillsUSA Championships Technical Standards rules and regulations and practices each skill for the national competition. It is great to seek assistance from business and industry to evaluate work and provide feedback. This helps your competitor feel ready to compete. Be sure and check the **competition updates** page frequently for any important contest updates. Testing information along with resume upload instructions will be sent to your students email address on file. The required competition attire for national events is outlined in the SkillsUSA Championships Technical Standards and SkillsUSA official attire is required for the Opening and Awards Sessions at NLSC.

Planning and Packing — Tips for Students:

- Take the time to think through what you will need, then pack accordingly
- Leave your itinerary with your family
- Tag your luggage inside and out
- Bring a cellphone (and charger) and download the NLSC app
- Save your advisor's cell phone number
- Have a valid travel ID and medical insurance card
- Bring comfortable shoes
- If you take prescription medicine, bring a supply with you
- No backpacks or large tote bags are allowed in the general sessions
