

2024 SkillsUSA Championships Official Competitions

The SkillsUSA Championships event is held each June as part of SkillsUSA's annual National Leadership & Skills Conference (NLSC). It's the culmination of hundreds of local, regional/district and state competitions hosted annually. Outstanding career and technical education students — all state contest winners — compete hands-on in 115 different trade, technical and leadership competitions. Competitions are managed with the help of industry, trade associations and labor organizations, and test competencies are set by industry.

For specific competition information, visit: <https://www.skillsusa.org/competitions/skillsusa-championships/>

Contests Highlighted are those and are currently run at the SkillsUSA North Dakota State Leadership and Skills Conference.
